Leveraging her 18 years fast tracking experience in executive leadership and management consulting, Glain created the Executive Roundtable to fill a key gap in the development market for providing practical, real-time learning to accelerated leaders. Since the organization's inception, The Executive Roundtable has grown to over 300 members and is the high potential development partner of choice for such companies as The Toronto Star Group (Harlequin, Metroland, TorStar Digital), CAA South Central Ontario, Bentall LLP and has members and Mentors from a broad section of businesses and industries including: Xstrata Nickel, LCBO, PepsiCo Canada, SunLife Financial, Xerox, TD Bank, KidsHelpPhone.

Prior to launching her own business, Glain held a variety of executive management positions in both the private and not-for-profit sectors. Most recently, she was the Executive Director of one of Canada's leading organization for executive-minded women. For close to a decade, Glain was promoted through a variety of progressively senior positions with one of Canada's leading strategic talent management firms. In her capacity as Managing Partner (Toronto office), Glain led the firms consulting and training practices and worked directly with some of Canada's leading organizations – Bell Canada, Sprint Canada, SunLife Financial, ITI, Grant Forest Products – by providing strategic consulting advice in the areas of leadership and organizational development. As an executive coach, Glain primarily focused on high potential leaders and conceptualized and launched Strategic Leadership Development: the organization's first integrated assessment, coaching and leadership training program for next generation executives.

Glain is a highly sought after coach, facilitator, panelist, keynote presenter and a self-professed "leadership" junkie. Having seen over 100 leadership experts in action (Buckingham and Branson are two favourites) and having read countless books, Glain shares her passion for leadership through a monthly newsletter (The Roundtable Recap) and leadership blog (RoundtableTalk).

A life-long learner Glain completed the Adult Education diploma program through OISE/U of T and the Co-Active Coaching program through the Coaches Training Institute. She received advanced coaches training in Shadow Coaching, Relationship Systems Coaching and is certified in the Leadership Effectiveness Analysis 360 Feedback tools and methodology. And, should there ever be a need to pull the facilitation in a different direction, she has also completed advanced Improv Training through Second City. Glain is an active volunteer providing time and expertise as a member (and former Chair) of the Personnel Committee for the Board of Pape Children's House and as a member of the Loan Review Committee for the Canadian Youth Business Foundation. A natural teacher and "preacher", Glain is passionate about spreading enthusiasm for the rewards of leadership.
