## Executive bio

**Jason Steinberg** is a Partner at Carbon Foresight, a sustainable business consulting firm focused on climate change. Carbon Foresight helps organizations measure, manage and reduce carbon emissions as well as discover and implement opportunities for sustainable business. Clients include the Ontario Ministry of Health, Six Senses Spas & Resorts and Ontario Lottery and Gaming Corporation.

Jason's areas of expertise include greenhouse gas emissions calculations & benchmarking, sustainability reporting, Enterprise Carbon Management (ECM) implementations, and climate change training & education.

Previously, Jason was the Director of Client Services at Zerofootprint, where he managed a portfolio of customers to measure, manage, and reduce their carbon footprint and engage staff in combating climate change. Jason has consulted for the United Nations Development Program and the United Nations' Partnerships for Sustainable Development. Jason also brings over 10 years of business, software, and project management experience from leading technology firms such as SAP, Workbrain, Amgen, and Epicor.

Jason holds a Master's degree in Environmental Studies from York University and an MBA from the Ivey School of Business at the University of Western Ontario.
